About This Content

Soldier!

Take your time. These robot-alien monsters, occupying our planet and stealing minds of our citizens can wait. Don't worry about other human lives! Just put up your crazy hi-tech earphones and let the music fill your head, at least while you still have it...

Composer Mike Mirabello, with support from Skew Sound and Steve Pardo

- 1 Mothergunship Main Menu
- 2 Fully Autonomous and Isolated from the Rest of the Resistance (Headquarters Ambient)
- 3 That's Our Target
